15 November 2021

Dear Patient,

**White Lodge Medical Practice - Notice of planned relocation to 105-109 Chase Side, Enfield, EN2 6NL – Date: 13 December 2021**

We are writing to you as a patient registered with the practice to inform you of a change of location of our GP surgery. Although the surgery has been located at its present site for many years, the premises no longer has the capacity required to meet the demands of the growing patient list size and does not meet NHS Premises Standards.

In 2017, we applied to relocate the surgery to new, purpose-built premises at 105-109 Chase Side, Enfield, EN2 6NL, and NHS North Central London CCG approved our application.

The new site is within easy reach of the current surgery and is approximately within 0.7 miles (11 minutes walk) from our current building. The new surgery is accessible by public transport (Buses W8, W9 and 191). Included in this letter is a map showing the locations of the current and new sites.

The new site will provide some limited access to parking, including disabled parking. The Local Authority plans to construct a layby outside the new site providing a drop-off and collection point for patients and emergency vehicles.

The practice has been engaging with patients in a number of ways including through the practice website, via posters and other information provided at the current site, and the Patient Participation Group. Feedback from patients has been positive, with many welcoming the improvement in facilities and accessibility the new premises will offer.

From 13 December 2021, the White Lodge Medical Practice will be moving from the current site to our purpose-built health centre at 105-109 Chase Side, Enfield, EN2 6NL.

**You do not need to do anything, and you will continue to be registered with the White Lodge Medical Practice – no patients will be asked to leave as a result of the relocation. All our clinical and reception staff will continue to work at the practice, and there will be no change to our practice opening hours. The surgery telephone number will remain the same.**

Following the relocation, all patients will be welcome to attend the appointments as usual at 105-109 Chase Side. For more information, please see the practice website - [https://www.whitelodgemedicalpractice.nhs.uk/news\\_archive/](https://www.whitelodgemedicalpractice.nhs.uk/news_archive/)

If, however, you do not wish to remain registered with White Lodge Medical Practice, you can find details of other GP practices in the area on the NHS UK: <https://www.nhs.uk/service-search/find-a-GP>. You will just need to enter your postcode, and it will show you a list of local GP surgeries, including any additional services offered and patient reviews.

If you have any queries or require further information, please contact the practice, and we will be happy to assist you.

Yours sincerely

White Lodge Medical Practice
